## BIG RACE MEETING IN JUNE WILL BE FEATURE FOR SPORT-LOVERS

Grandstand at Kapiolani Race Track Now Nearing Completion—Tennis Courts and Swimming Pool Will Be Constructed—Many Runners Show Up Well in Workouts—Polo Ponies Being Conditioned for Championships in August

Upper left: Walter Macfarlane's polo pony and racer, Indigo, now at the polo stables at Kapiolani Park. This pony will be entered in the events for polo ponies on June 10 and 12. Lower right: The famous Helen C. considered the greatest polo pony in America, owned by Walter Dillingham. This pony has played in four international matches to date.

With work rushing on the erection of the grandstand, runners exercising on the track and men working on the grading Kapiolani park is a busy place these days. Everyone is looking forward to the opening race meet on June 10 and 12, and from present indications the racing events will be a complete success.

The polo stables have been completed, and according to Peter Hanon the arrangement is of the best. In the main stable there are 44 stalls, while in a detached stable there are 20 stalls available. The wide enclosure with the parking adds to the beauty of the place, and all who have visited the stables have been impressed with the ideal conditions.

The harness room and cleaning rooms are fitted up in a down to date manner and every detail has been attended to. With an ideal setting at the base of Diamond Head, and the careful attention paid to the grounds, the club has made an excellent start toward a permanent beautifying plan, Tennis and Swimming.

In addition to the work being done on the grandstand, the Hawaiian Polo and Racing Association are building a tennis court, and a swimming pool and bathhouse have already been started on the way. It is expected that the aquatic improvements of the club will be completed by June 10. The cost is estimated at \$4000.

Tennis courts are being constructed opposite the elk's pen, and arrangements will be made to stage all tournaments on these courts in the future. A. L. Castle, head of the tennis committee, is taking a deep interest in the building of the courts, and believes that the new venture will be a big asset in local sports.

A visit to the polo stables has been the rule with many lovers of horse flesh, and each day finds many spectators looking at the horses there. Many of the runners have been working out on the track, and some fast time has been made. Ferreira on Umpqua went the quarter in 24.45, while time around 2' has been made by a number of the mounts.

Dillingham String. Many of the runners at the track are unusually promising, and some dark horses are picked to come through when the race meet is on. In the polo stables at present are Oneonta, Umpqua and a two-year-old filly, in addition to Walter Dillingham's string, which includes Gray Dawn, Quicksilver, South Sea, Paulina, Kailani and Buttons.

Walter Macfarlane has Indigo, Hupala, Kilaua, while Robert Shingle will enter the following runners now at the polo stables: Kehau, Halemau-mau and Grandma Bess. One of the best looking animals at the stables at present is Kitchin Bill, owned by R. W. Atkinson.

A number of horses are expected from the Svalding ranch and more are coming from Maui. All in all Mr. Hanon stated that he expected to see a great entry list for the many events scheduled for the big racing meet.

**Meet C At Park.** Helen C, the best polo pony in America, owned by Walter Dillingham, is now at the polo stables, and will be conditioned for the coming matches this summer. This pony has played in four international matches, and has made two trips to New York to appear on the polo field.

Walter Dillingham's In and Out is also at the stables, and in addition Jennie C, owned by Harold Castle; Indigo, a good polo pony and a good race horse, owned by Walter Macfarlane; Kapihi Girl, owned by Arthur Rice, and others are now stabled in the Kapiolani park enclosure. Altogether the interest in racing is increasing, and a journey to headquar-

(Special Star Bulletin Correspondence.)

**PORT SHAFTER, May 20th.**—Fort Shafter was given the two best games of this season in baseball yesterday, as both games of the double header proved to be the best as well as the most fiercely contested of any that have been played on the new diamond, and many times the 700 fans were on their feet to cheer the teams for their unusually good work. In the first game D Co. defeated B Co. by a 5 to 3 score, and in the second game K Co. trimmed M Co. to the tune of 1 to 0. The latter game was of especial interest and rivalry as all the teams of the 3rd Battalion were tied until this game and K Co.'s victory now gives them the lead in the Battalion.

**Dees 5, Boes 3.** It looked like D Co. would have a cinch, as in the first inning by a series of safe hits off of Bell and one or two bone-head plays of poor head work, D Co. brought in four runs. B Co. managed to secure a run in the second inning, but after this until the fifth inning all was quiet. In the fifth Bennett went to first by a hot drive to center field, stole second and came home on the next put-out, making the score 5-1 in favor of D Co.

No further harm was done until the seventh inning, when B Co. got busy and came back strong. With Medina and Frame on bases, Dischoff drove a long one to right, bringing in two runs. However, the next two men up were not strong with the stick so went the 1-2-3 route, ending the game with D Co. in the lead by two runs.

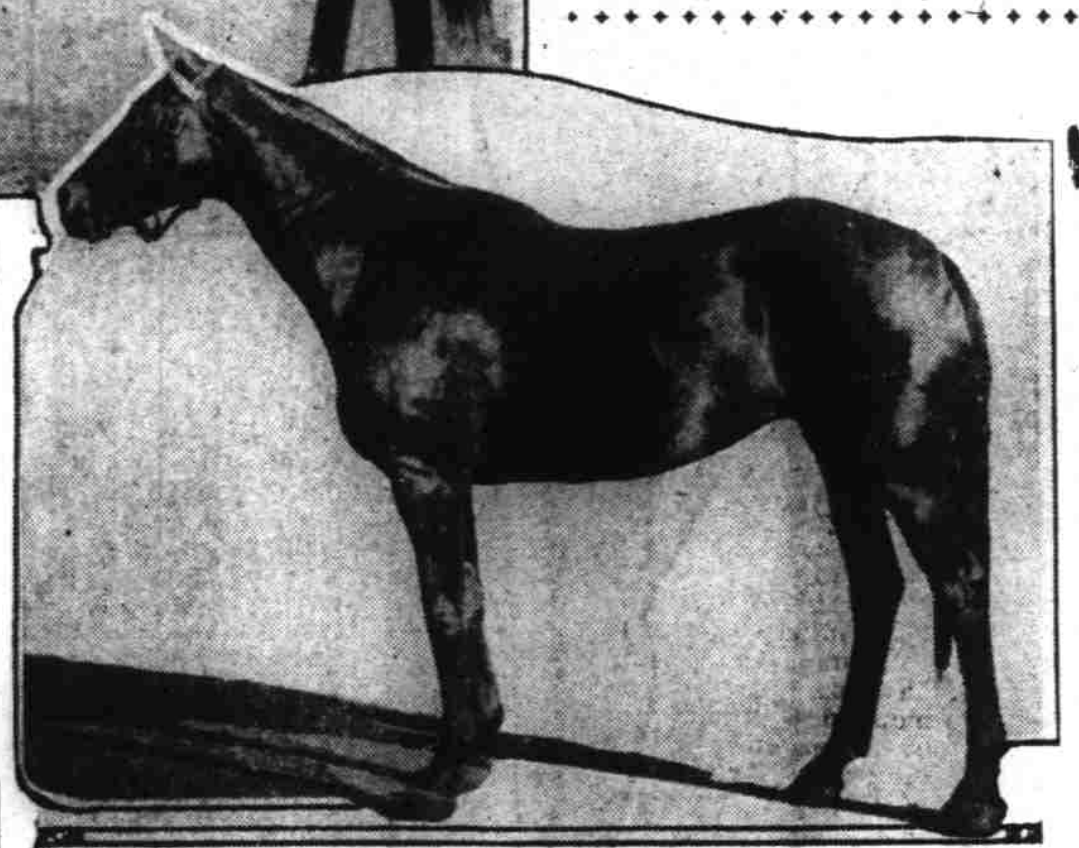

Had it not been for Bell's bad inning in the first where he forgot to use his head and was slow, the story might have been a different one. With this exception Bell pitched a good

game and was well supported by his team. He allowed but five hits, while Medina for D Co. allowed six. Medina used his head at all times and pitched exceedingly well. Excellent work was done in the field by both teams, Bischoff, starring in the early part of the game for D Co., as he made several catches that put the bleachers on their feet, but in the last inning came near losing the game for his team by going to pieces and muffing two flies which should have been catches, allowing two runs.

**SUCH IS GENIUS! LOOK AT THIS, MEN**

NEW YORK, N. Y., April 28.—Ignace Paderewski is a firm believer in the "safety first" principle. He demonstrated this fact when a foul fly was hit into the grand stand during a ball game at Brooklyn National League park. Though the sphere hurtled dangerously close to him, the Polish piano wizard failed to hold up his \$100,000 set of digits and bellow, "I've got it!" The ball missed him by a foot, as he thrust his hands in his pockets.

Paderewski is reported to have spoken severely to three persons who started to leave the hall recently at St. Louis, where he was tearing off something by Bach, yet the same Paderewski left the baseball game flat after four innings. He came to the park to watch his fellow countryman, Ivan Olson, who was hornning in as a regular for Brooklyn.

**THE ODD FELLOWS and REBEKAHS of HONOLULU**

will celebrate the

**97th Anniversary of the I. O. O. F.**

By Giving a BASKET PICNIC at Moanalua Golf Links on

**SATURDAY, MAY 27, 1916**

The ladies will provide thousands of ice cream cornucopias and ample soda water, ice water, etc., free of charge.

The Sports Committee has arranged a variety of interesting events, and valuable prizes will be awarded the winners.

The first auto busses will leave the Capitol Grounds at 9 A. M. sharp, headed by the band. At 10:30 A. M. and every half hour thereafter until 3 P. M. an auto bus will meet Honolulu Rapid Transit cars at Kalihi end of car line and carry picnickers to the grounds free of charge.

Badges must be worn by all who desire to secure auto transportation or entrance to the grounds, and may be had by members of the Order from presiding officers of any of the city Lodges or at the office of the Union Pacific Transfer Co., King street. These badges will also serve later as appropriate souvenirs of this historic event.

Visiting Odd Fellows and Rebekahs and their families especially invited. Music will be furnished by the United States Army Second Infantry Band.
